Dear Analyst:

We have been unsuccessful in our attempts to market the approved Medicare Supplement Plans described above as required by the Model Regulation to Implement the NAIC Medicare Supplement Insurance Minimum Standard Model Act. Because we were unable to develop agent relationships in your state for our Medicare Supplement program and there have been no sales, our new company president has decided to discontinue the availability of the referenced Medicare Supplement policies.

As a result of this discontinuance, we will have no approved Medicare Supplement 2010 product in your state. Our last actively marketed Medicare Supplement product was the approved 1990 standardized product which ceased to exist as of May 31, 2010, due to Federal mandate.

For the reasons cited above we are requesting the effective date of the withdrawal to be May 31, 2010 which reflects the discontinuance date of our last actively marketed product.
